**LaGrange Web Design LLC. launches a new trend setting website, LaGrangeWebDesign.com and plans to bring high-impact online marketing services to LaGrange and surrounding area businesses.**

LaGrange, Georgia - On March 5, 2007 LaGrange Web Design, LLC., launched it's new corporate web site and services in LaGrange Georgia with a mission to offer high-performance web design and creative services to regional businesses at an affordable price.

LaGrange Web Design will provide LaGrange, Columbus and surrounding areas with cutting-edge web design and online marketing solutions for business.

LaGrange Web Design's commitment to original and trend setting design, user friendly functionality and the highest level of customer service make LaGrange Web Design a smart choice for businesses in the region.

"Starting the new company in LaGrange made sense on many levels. For one thing, LaGrange has a very vibrant business climate" said David Griffith President and Founder of LaGrange Web Design. "There's a real entrepreneurial spirit here in LaGrange and it's contagious" he continued.

LaGrange Web Design specializes in custom web design, e-commerce, application development and web site promotion. For further information, contact David Griffith at 800.710.3089
